- Each Book Club Kit contains:
 - 10 copies of the book;
 - DVD of film adaptation (selected kits);
 - Book Discussion Questions to get your meeting started; and
 - Luggage tag attached to Kit Bag(s).
- When borrowing a Book Club Kit, you must be a registered member of Camden Libraries, and you must show your library card when borrowing.
- Only one member needs to borrow the Book Club Kit. This member is responsible for all items in the kit.
- Kit items can be distributed and used by book club members only.
- Kits are loaned for a period of six weeks. No renewals are permitted.
- Kits can be reserved subject to availability, with a maximum of two kits per book club at any one time.
- Kits can be borrowed from all Camden Library Service branches: Narellan, Oran Park and Camden.
- Returned kits must include all ten copies of the book, DVD of film adaptation (selected kits), the luggage tag attached to the Kit Bag(s), plus the folder containing the Book Discussion Questions, Book Summaries List, and these Guidelines. Kits can be returned to Camden, Narellan or Oran Park Library during opening hours only. **Please DO NOT return the kits via the After Hours Return chutes.**
- If your group loses or damages a book it must be replaced. Damage includes anything beyond normal wear from reading. Damaged or lost items will incur a fee equal to the cost of the item. We appreciate it if you resolve these matters as soon as possible so that the kit can be ready for another group. Fees for damages or lost copies will be the responsibility of the group member who has borrowed the kit.
- For a complete list of kits and summaries, please see our website:
